Aquaculture CEOs Forum India 2018

Although Aquaculture is over 28 years old industry, it has not grown to the extent it was expected. Aquaculture may be considered as a very potential food industry providing nice, easily digestible and affordable nutritious food for any age group in the society. What could be the reason for not achieving expected growth and development in Aquaculture sector in India?

The objective of the Forum is to provide a platform **Aquaculture CEOs Forum India 2018** to identify the issues and challenges the Indian aquaculture industry facing and the solutions required and plans to implement to accelerate sustainable growth and profitability in aquaculture industry in the country and also to present National Awards for Best Performance and Contribution to Aquaculture sector in India. The Forum is being organized by **Aqua International**, the national English monthly on aquaculture sector with the support from different bodies of the industry. Govt officials, entrepreneurs, intellectuals and experts will make presentations in the Forum.

The Forum would also provide a unique platform for knowledge and best practices sharing among senior management personalities, manufacturers, service providers and other stakeholders of the industry on strategic priorities like sustainability, quality and safety of products, branding & marketing, profitability, value chain etc, which are important to the advancement of aquaculture industry.

The Forum's success is driven by the active participation of the key stakeholders in the industry, who together develop and lead the implementation of best practices in the interest of the individuals and the industry.

Key stakeholders of aquaculture industry are requested to ensure their participation in the CEOs Forum and contribute with their views, ideas and plans to accelerate sustainable growth and development in aquaculture sector in India.

Who can participate in the Forum?

Government Officials, Broodstock suppliers, Hatcheries, Integrators, Farmers, Feed Manufactures, Nutrition & Healthcare Products Mfrs / Suppliers, Aerators & Equipment Suppliers, Processors & Exporters, Aquaculture Experts, Intellectuals and Distributors. Registration of participation is done on first-come, first-served basis.

Please confirm your participation soon.
